

Project Name:

Ravalli County Old Corvallis Road Phase II

Recipient:

Ravalli County

Address:

215 South 4th Street, STE A, Hamilton, MT 59840

Amount Required:

\$3,500,000

Project Description:

The Bitterroot Valley in Ravalli County is one of the fastest growing areas in Montana. The valley is suffering growing pains related to a lack of modern infrastructure to support the growing demand, especially with the arrival of a new 140-home residential development and the expansion of two major pharmaceutical manufacturing facilities on the horizon. The valley has a single 4-lane road that carries the entirety of the county's workforce, school buses and commerce. Old Corvallis Rd has the potential to provide a second north-south corridor for Ravalli County, complete with safe walking and bike paths for commuters, and provide a much-needed secondary route for manufacturing facilities to get their product to interstate 90 to the north.

Re: Ravalli County Old Corvallis Road Phase II

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Ravalli County Old Corvallis Road Phase II in Fiscal Year 2027

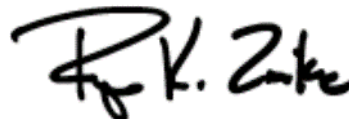

The entity to receive funding for this project is Ravalli County located at 215 South 4th Street, STE A, Hamilton, MT 59840.

The Bitterroot Valley in Ravalli County is one of the fastest growing areas in Montana. The valley is suffering growing pains related to a lack of modern infrastructure to support the growing demand, especially with the arrival of a new 140-home residential development and the expansion of two major pharmaceutical manufacturing facilities on the horizon. The valley has a single 4-lane road that carries the entirety of the county's workforce, school buses and commerce. Old Corvallis Rd has the potential to provide a second north-south corridor for Ravalli County, complete with safe walking and bike paths for commuters, and provide a much-needed secondary route for manufacturing facilities to get their product to interstate 90 to the north.

The project has a Federal nexus because the funding provided is for purposes authorized by section 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ryan Zinke
Member of Congress
